Dear Dr Licky Erastus,

Subject: Invitation to 2-Day Free AI Training —Post AI Africa Summit Extension

We sincerely thank you for your participation in the Inaugural AI Africa Summit, held from 17 – 20 August 2025 in Victoria Falls. This landmark event brought together leaders, experts, and delegates from across Africa and the world to shape the continent's AI future.

As an extension of this milestone, the AI Institute of Africa (AIIA) is delighted to invite you to a **2-Day AI Training** to be held in Harare in September 2025 (exact date and venue to be announced).

This training, offered **free of charge**, will equip delegates with practical and strategic insights, covering:

- Technical Foundations of AI
- AI strategy and the Business Case
- AI Regulations, Ethics, Risks & Governance
- Solutions Development and Implementation

The training will be delivered by expert trainers from leading universities and industry. At the conclusion of the training, all participants will receive a Certificate of Completion from the University of Zimbabwe.

We are confident that this training will build on the momentum of the Summit, ensuring that the knowledge shared translates into tangible skills, strategies, and impact.

We look forward to your participation in this important continuation of the AI Africa journey.

Warm regards,

A handwritten signature in black ink, appearing to read "Dennis Magaya".

Dr Dennis Magaya

Chairman – AI Institute Africa (AiiA)
