

AFC Bank Product Innovation Strategy for Gen Z and Pensioners

Introduction

This document outlines proposed banking products for AFC Bank (formerly Agribank) based on an analysis of Zimbabwean financial institutions and the gaps in products and services offered to two key customer groups: Gen Z (18 – 35) and Pensioners.

The goal is to design high-impact, easy-to-implement products that leverage AFC Bank's agricultural mandate and development banking strengths.

SECTION 1 : GEN Z PRODUCT OPPORTUNITIES

1 . AFC Hustler Account

Description: A zero-fee digital account designed for freelancers, informal traders and young entrepreneurs.

Key Features: - No monthly maintenance fees - Mobile wallet integration - Transaction-based microfinance Simple bookkeeping dashboard

Why It Works: Zimbabwe's youth economy is largely informal. Traditional banks require collateral or income proof, excluding young entrepreneurs. This account builds credit profiles based on transaction history rather than formal employment.
