REF: Invitation – AI for National Transformation: Zimbabwe 2.0 & AI Tech Forum Summit

Dear Mr Kamufumu.

We acknowledge the current situation regarding the outstanding tax clearance and PRAZ certificate required to process payments for the delegates attending the two AI Summits scheduled for 16–17 June.

Due to unforeseen circumstances, the tax clearance and PRAZ certificate have not yet been issued. We understand that this may affect CUT's tax reconciliation process. In light of this, we hereby request that the funds be released subject to the **30% deduction** arising from this issue, as proposed.

We sincerely hope that the delegates will still be able to attend the summits, and we would be pleased to host them.
