Dear Sir/Madam

RE: INVITATION TO PARTICIPATE IN THE OFFICIAL LAUNCH OF THE INTEGRATED REGISTRATION AND ACCREDITATION SYSTEM (IRAS)

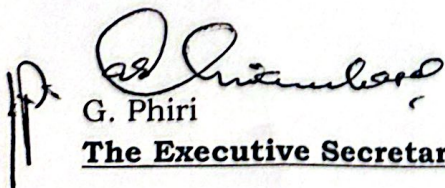

The Zimbabwe Media Commission (ZMC) cordially invites Team Rubiem to the official launch ceremony of the Integrated Registration and Accreditation System (IRAS) in Bulawayo on 12 June 2026. The launch event will serve as a celebration of this milestone and a platform to showcase the system's capabilities to our key stakeholders and the media fraternity. Given your foundational role in developing this system, we would be honoured to have your team present to officially participate in the day's proceedings.

We would like to invite two representatives from Team Rubiem to give a brief technical overview or developer's remarks during the program. Kindly let us know if this is feasible so we can finalize the logistics. The Commission will cover their travel and subsistence expenses in accordance with our approved rates.

Please confirm your team's availability by contacting Mr. T. Kasingakore at tkasingakore@zmc.org.zw no later than Monday, 08 June 2026.

We look forward to celebrating this shared success with you.

Yours sincerely,

G. Phiri
The Executive Secretary
